with our fabrics

RAINBOW

RAINBOW - Collection RAINBOW was inspired by colours of a rainbow. Three different patterns make you will surely find something that suits you. Important feature of a fabric is its fire retardancy.

Rainbow

Rome

ROME - The inspiration that created the ROME collection was the timeless rugs, rich in colors and patterns. Each fabric in the series is a combination of two shades of the same color. Thanks to this, the material is toned down and works well in classic interiors.
